R: REDACTED MATERIAL

I recently discussed your profs note of December 23 concerning the VdC Foundation with Andy, and we would like to receive an English translation of the Foundation's statutes. Would you please provide these materials at your convenience. Thank you.

I hope you had a nice Christmas and wish you a healthy and happy New Year.

Best personal regards.

Subject: Letter from S. Knoth

Having seen the translation, I am of the view that the best response is no response. We will end up in a long and entirely unproductive dialogue.
